Report by Alex Case, Mayor, City of Trenton

- Water line grant along Hwy 299 being held up by the Cherokee Nation.
- The City has obtained final cost figures for the 500 foot sewer line to serve Trenton Pressing. The City is asking IDA to pay an additional \$42,000 for total of \$117,000 (\$234/lineal foot). Balance coming from SPLOST funds, pending approval by Dade County Commission. To save on installation expense, water and sewer pipe will be laid in same ditch, which requires limestone blasting, as limestone is at the surface of the ground. We will use some of Trenton Pressing's gravel for backfill.

MOTION to (1) pay an additional \$42,000 as a reasonable and necessary expense of constructing sewer line to serve Trenton Pressing, and (2) amend the 2023-2024 budget to provide for expenditure of this sum.

Update from Robin Rogers regarding scholarships.

- IDA cannot make a payment which would be deemed "charitable," so we must frame it in terms of assisting industry in Dade County. Recipient should be required to work for local industry.

The Chair TABLED further pending discussion of scholarships.

George Williams, as Chair of Alliance for Dade, Inc., pointed out that the Dade County High School needs funds to purchase materials for training; we still need to support workforce development.
